

# Christopher Columbus Activity

Today you will be taking an in-depth look at Christopher Columbus and his journey to the new world. You will be using a website so go to Mr. Van's page and click on the link titled "Christopher Columbus Activity" under Empires of the Americas.

You will be split up into groups of 3 and assigned two links from the website. You will then read your two parts and then create 5 questions over each topic. Create an answer key, which will go to Mr. Van. Once everyone has created their questions we will send them around to all the groups and they will be responsible for answering all of the questions provided to them. You will have all class period to work so use your time wisely! The answers to your assignment will go in your notebooks.
