

# Ellis Island Activity

1. Click start the tour
2. Then go through each level and take one to two notes over each stop (put these in evernote!)
3. Next, click on the button in the upper right part of the screen titled "Virtual Field Trip To Ellis Island". Watch the first 6 minutes of the film
4. Finally, in your evernote at the bottom of your notes you have taken, you will write me a letter describing what your journey to America and through Ellis Island was like, you will write the letter in first person (meaning you are writing as if you are experiencing Ellis Island first hand) and it will contain 20 sentences.
5. I will check these tomorrow for completion.

Good luck, and enjoy the website and reading about Ellis Island!
