

Life on the Great Plains

Today in class you are a settler of the Great Plains in the United States. You will be writing a page long letter to friends living back on the east coast and describe everything about life on the plains and settling here. Talk about your journey here as well as how life is now that you have arrived. Use vocabulary as well as all of the notes and information you have gathered thus far to describe what life would be like out on the plains.

Things to include in your letter:

- Who all accompanied you on your trip
- Why did you move to the Great Plains
- What was your former occupation
- What are you all bringing with you
- What life is like on the Great Plains
- How your journey to the Great Plains went
