

Mike Tyson Trailer Project

Today in class you will take on the roll of a movie director. The topic you have chosen your movie to be about is Mike Tyson. You are seeking to tell the true story about Mike Tyson. So what you will need to do now is generate public interest for your movie. You will be doing that by creating a iMovie trailer for your movie to show in class. To give you a solid background over Mike Tyson you will read a biography over him that is on our class website. After you have read this biography you will then put together your iMovie trailer.

Things to include in your iMovie Trailer:

- Title of your movie
- Pictures/Gif's of Mike Tyson
- Events that had an impact on his life
 - Both good and bad
- Words that will jump out to the audience of your trailer and make them want to see your movie
