

You will research a Native American culture and describe the various elements of the Native American culture prior to European influence. Make sure your sources are reliable and to site your sources.

Native American Culture: You will be assigned one of these groups Olmec, Maya, Aztec, Toltec, Inca, and the Anasazi

Describe each of the following:

Cultural Elements

Religion (including origin/creation theory)

Family structure

Economics (food, clothing, housing)

Education

Government

Source(s):

¹ Adapted from Mr. Rippe Lincoln East High School

Assessment

Your presentation will be evaluated on the following criteria:

- Is the presentation clear and informative?
- Have presenters included all the information specified?
- Did presenters make effective use of visuals, pictures, maps etc.?
- Did the group presentation reflect input from all group members?
