

Pacific Railway, Homestead Act, and Morrill Act

Today you will be taking a look at these 3 acts. What I want you to do is read through the information provided for you and create an outline detailing each act and each acts sections. After you have outlined each act I want you to describe the importance of each act in 2 - 3 sentences. This assignment will go in your notebook and be the final assignment before we check notebooks tomorrow. Use your class time wisely and effectively.
