

# Pocahontas Activity

Today in class you will be working on an activity about Pocahontas and her role in helping the first settlers at Jamestown. You will use this website <http://pocahontas.morenus.org/index.html> Once you have arrived you will begin comparing and contrasting the real Pocahontas vs. the Disney Pocahontas.

- First, I want you to take notes over the “Real Pocahontas” story told by David Morenus
- Second, You will then write down 7 ways in which the Disney movie Pocahontas was different from reality.
- Third, You will then do the same for the sequel Pocahontas 2 and write down 5 ways in which the movie was different from reality
- Lastly, you will provide a brief synopsis over the characters Powhatan, Captain John Smith, Kocoum, and John Rolfe

**This will go in your notebooks and will be checked tomorrow for completion.**
