

You will play the part of a historical figure in a discussion of issues from the 1830s and 1840s. You will need to research your role and be able to discuss the issues of the time. Your grade will be based on your research and your participation in the discussion.

Historical Figure:

Biographical Questions:

1. Describe the accomplishments of your historical figure.
2. What is the major area of study and reform that your character was involved in?

Discussion Questions:

1. What was wrong with American society?
2. What should be done about it?
3. What did you do about it?
