

The Republican Revolution Project

This week in class you will be taking a look at the Republican revolution that took place from 1980 – 1992 and included Presidents Ronald Reagan and George Bush. You will be selecting a topic from the list below that will cover a variety of things from chapter 35 in your books. For this project you will be using toondoo.com to create a comic book describing your topic. You will work by yourself for this project and your comic book will need to be at least 7 pages. The rubric for this assignment will be on our website. Be creative and provide information at the same time, good luck!
